Trip status when pdf creation	Support Ordered

Trip Information:

Assessment Result

Destination country: United States, Massachusetts
Duration: 2025-03-08 - 2025-03-22
Trip purpose(s): Other Audit
Assignment Type: BT Standard

Trip Assessment Details/Actions to Undertake:

Immigration

Work visa might required. Delegation Center needs to check your trip individually.

Tax

A corporate tax obligation may exist. The Delegation Center must be consulted. It will check opportunities for a placement in the interest of the receiving company.

Local Tax

There will most likely be an income tax liability in the locality (US State). Delegation Center needs to be involved.

Social Security

There is possibly a social security obligation in the destination country and/or a Certificate of Coverage (e.g. A1-form) is required. The Delegation Center must be consulted.

Travel Insurance

*Globality international health insurance:
Emergency number (24/7)
Tel: +352 270 444 3131*

Basically, you are covered by a company financed international health insurance via Globality Health during your assignment abroad.

You will find further information, contact details and the claim form for your health costs abroad here
<https://peoplecenter.siemens.com/esc?id=kb_article&sysparm_article=KB0162124> .

An insurance certificate can be downloaded (button below). _Please add your date of birth to complete the certificate._

In case of deviating certificate requirements, e.g. for visa application, please contact Globality (E-Mail)
<<mailto:central@globalites.com>> .

Travel Security

* Advice*

Currently for this destination country no Siemens Travel Security Regulation applies.

The overview of travel security regulations and further security information can be found on this link

<<https://security.siemens.com/SaiP/list/Country-Region-Overview>> .

Please note that the installation and activation of the Siemens Security App by Safeture

<<https://intranet.siemens.com/travelsecapp>> is recommended for all destinations.

Scan the QR Code to install the App directly from your App store.

[Bild]

The completion of the Basic Web Based Training "Travel Security" <<https://intranet.siemens.com/travelsectraining>> is

mandatory for all travelers every 36 months.

Project reference	My work is not related to a project that requires a PATAC ID
Do you perform work in the destination country based on a Temporary Hiring out of Personnel Agreement?	No
Does the host organization predominately provide the tools and material necessary to perform the work?	No
Is someone in the host organization entitled to give you day-to-day instructions?	No
For the correct tax assessment, we require the exact number of days to be worked in the USA.
 Please inform us of the total number of days to be worked.	10

If you have ordered support for your trip and change the travel dates, the trip assessment result will not be updated. You will be informed about further steps by the delegation center.

Disclaimer: Please note that in order to comply with the GMM compliance services i.e. external compliance requirements, you will need to provide required accurate information in a timely manner. GMM will not be held responsible for any information provided from your end that results in additional cost, penalties or future compliance implications (personal and company). You will be solely responsible.
